Sarasota, Florida --Congressman Vern Buchanan (FL-13) held town hall meetings in Wauchula and Arcadia this past weekend. Buchanan sought input from his constituents on how Washington can best serve the cause of creating jobs and getting the economy moving again.

“Growing the economy and getting America back to work must be priority number one,” said Buchanan. “I really appreciate those who took the time out of their weekend to share their feedback, ideas and suggestions.”

Buchanan has held 12 town hall meetings in 2011.
